

## Calling all families...

### Recruitment is underway for working groups

The Family Project is recruiting people to participate in one of two separate working groups in order to:

1. review and enhance GNWT policies with respect to accessing GNWT Student Assistance Funds; and
2. review and enhance GNWT policies with respect to accessing pre-school supports

For more information or if you are interested in participating on either of these working groups, please contact Mimi at 766-4294 or [inclusion@ykacl.ca](mailto:inclusion@ykacl.ca).

### Are you retired, a college student, a stay-at-home parent, or work full time but would like to supplement your income?

The Respite Service is looking for caring people to provide social respite to families that include a member with a disability.

The hours are tailored to work with your schedule and you can work just about as many or as few hours as you'd like. Training is provided. Current First Aid/CPR and a successful Criminal Record Check are mandatory.

For more information contact Linda at 766-4295 or [respite2@ykacl.ca](mailto:respite2@ykacl.ca).
